### KEY CHALLENGES

TJ Hall supported the main contractor on this £10m project to redevelop 360,00sq.ft. of a former gas storage site. TJ Hall were responsible for the fitting out of the main office area of 15,600 sq.ft. TJ Hall showed their flexibility in being able to work around the main contractor's schedule. The project was completed to the clients exacting high standards in a challenging 8 week build time. Yet another project brought in on time by TJ Hall.
