Office Fit Out

Contract Value: £3.50m

TJ Hall worked closely with the client's team and ultimate clients representative Cushman & Wakefield on this prestigious project. The scheme comprised the full fitout of an existing 1st floor office space, on a design and build basis, with T J Hall acting as the Principal Contractor. Works comprised of a complete office fit out including all Mechanical & Electrical works and furniture procurement to transform the existing layout into suitable office premises for the client.

Turnkey Works Included

- Complete Office Fit Out
- Welfare Facilities
- Furniture Procurement
- Electrical & Mechanical Installation
- Flooring
- Kitchen Area Fit Outs
- Formation of Meeting & Breakout Areas
- Strip Out
- Bespoke Joinery & Artwork

The site was delivered to an exacting program. TJ Hall Electrical & Mechanical Services were responsible for Air-Conditioning, Ventilation, Access Control, Fire Alarm, Intruder Alarm, Lighting, Power, Security and Data.

Creating the **perfect** working environment
