Warehouse Refurbishment & Office Fit Out

Contract Value: £3.85m

The Pharmaceutical Storage Facility project comprised the refurbishment of an existing warehouse, on a design and build basis, with T J Hall acting as the Principal Contractor. Works included a complete office fit out and all Electrical & Mechanical works associated with the office and warehouse refurbishment.

Turnkey Works Included

- Warehouse Refurbishment
- Complete Office Fit Out
- External Wall Cladding & Roofing
- Electrical & Mechanical Installation
- Flooring
- Temperature Controlled Areas
- External Improvements
- Improvements to External Canopy
- Siphonic Roof Drainage

The site was T J Hall's first Pharmaceutical Storage Facility, this was delivered to an exacting six-month program. Externally, there were works including cladding and re-roofing of an existing canopy and reconfiguring of the layout to suit the requirements of the client.
