

Case Study

Hyundai, Tamworth

Warehouse Extension Construction, Refurbishment & Office & Interior Fit Out

Contract Value: £3.6m

Hyundai's UK Distribution Warehouse at Tamworth was extended by 4,200 Sqm. A 280 Sqm. Mezzanine incorporating Office and Plant room was also included. Externally, the existing fire road and service yard have been extended.

Turnkey Works Included

- Groundwork
- Steel Frame Structure
- Cladding & Roofing
- 280 Sq. m Mezzanine Floor
- Complete Office Fit Out
- Electrical & Mechanical Installation
- Cantilever Canopy
- Siphonic Roof Drainage

The thirty-week design & build program was handed over to the client ahead of schedule and has earned T J Hall both significant praise and further refurbishment works to the existing facility onsite from the satisfied client.

Creating the **perfect**
working environment
