

SCREWFIX

Case Study

Screwfix, Lichfield

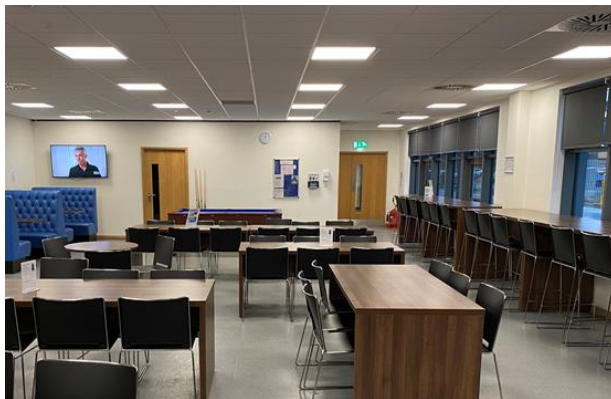

Warehouse & Office Fit Out

Contract Value: £3.6m

T J Hall worked closely with Kingfisher and Wincanton Logistics who manage the site, as well as the ultimate client's representative Cushman & Wakefield on this complex project, demonstrating our capability to cater for the needs of all stakeholders. The sports flooring installation was a feature of this extensive project.

Turnkey Works Included

- Full Warehouse Fit Out
- Office Fit Out
- New Build Distribution Centre
- Kitchen & Break Out Area
- Welfare Facilities
- Partitions
- Locker Room
- Racking
- Mezzanine
- Electrical & Mechanical Installation
- Security Installation
- External Structural Works

TJHEMS were responsible for the M & E Installation which included a wire guidance system for fork-lifts, CCTV and Sprinklers. The external structural works included Automated Barriers, Line-marking, Security Fencing and the installation of a Vehicle Wash Bay. As a result of our work on this project, T J Hall were invited by Wincanton to become accredited with Alcumus Safe Contractor.

Creating the **perfect**
working environment
