

## Case Study

Primary School, Earl Shilton

Internal Alterations & Fit Out

Contract Value: £115k

Working closely with Architects YMD Boon, T J Hall carried out significant alterations to the Pre-School Room and Corridor. A new Wet Area, conversion of existing Welfare Facilities into a new Group Room, alterations to the new Welfare Facilities and a Creative Curriculum Hub ensured this was a varied and fulfilling project. The team were delighted to work closely with staff and hope that the children will enjoy their new surroundings. As a result, T J Hall have been invited to complete additional works onsite.
